Dear Putteridge Primary School

We would like to say a massive thank you to all your pupils, families and staff who kindly donated bravery gifts to our children and young people who visit the Paediatric Day Unit or Ward C2.

Bravery gifts are given to the children and young people when they have a procedure which helps them to smile after and show them how much of a superstar they are. A procedure could include having a cannula, blood test or an injection.

It was really nice to see the joy your gifts brought to all the children's faces when they got to take home their own bravery gift home; this is very special to them.

We cannot thank you enough for thinking of our patients who are going through this difficult journey by trying to make their hospital stay and visit more fun and enjoyable.

Yours sincerely,

Jade and Gaby
