

Suitable birthday treats to bring in for birthday celebrations

Putteridge Primary want to support children to celebrate their birthdays (should they choose too). We would prefer treats like keyrings, erasers or pencils are shared as EVERY child can share in this gift. If you prefer to share sweets we ask that you ensure that there is no or a limited number of allergens so that most children can share in them and the risk of an allergy reaction is reduced.

The school has a nut free policy so any sweets containing nuts will be returned to you and not shared with the class.

The gifts below are just to give you an idea and are not recommended by the school. It is your choice what to purchase.

Keyrings

Erasers

Pencils

Ingredients correct at time of publishing, always check the label.
