

SEND support in school: a family information session

Who is this session for?

Parents, carers and families of children and young people (CYP) with special educational needs and disabilities (SEND) in Luton.

What will be covered?

- Introduction to Ordinarily Available Inclusive Provision (OAIP) in Luton
- When and how schools provide SEND support
- How schools identify and respond to additional needs
- A needs-led approach to supporting children and young people
- The Assess, Plan, Do, Review (APDR) process and graduated response
- The role of parents and carers working with educational settings in planning and reviewing support
